Biodynamic – ‘organic plus’ taking into account lunar cycles within the vineyard and winery

Natural – minimal intervention winemaking with a reduced use of sulphur

If you would like any recommendations from our list or a wine pairing with your meal please ask to speak to our dedicated Wine Development Manager, Loredana. She is always available to share her extensive knowledge on all the wines that we stock at The Vintry and more.

“Accept what life offers you and try to drink from every cup.

All wines should be tasted; some should only be sipped,

but with others, drink the whole bottle.”
